

## Announcement of ICC Public Meeting to Discuss Ongoing Environmental Projects

As you may know, the State Highway Administration's (SHA) Intercounty Connector (ICC) project includes a comprehensive package of Environmental Stewardship / Compensatory Mitigation / Community Stewardship (ES/CM/CS) activities as part of the project. The ICC Project Team is holding a public meeting for the following ES/CM/CS projects.

- PB-119: Upper Paint Branch stream restoration, located at Good Hope;
- PB-109: Upper Paint Branch stream restoration, located at Good Hope Right Tributary;
- PB-12A & B: Upper Paint Branch stream restoration, located at Hollywood Branch.

**A public meeting is scheduled from 7:00 p.m. to 9:00 p.m. on Tuesday, September 21, 2010, at William Tyler Page Elementary School (All Purpose Room),** located at 13400 Tamarack Road, Silver Spring, Maryland. **The previously scheduled meeting for these projects on Wednesday, September 8 has been cancelled in lieu of this meeting.** This meeting will provide interested citizens with details about the proposed stream restoration projects listed above. There will be no formal presentations at this meeting. Members of the project team will be present to answer any questions. To view a map of where the stream restoration sites are located, please visit [www.iccproject.com](http://www.iccproject.com), and then click "Environmental Programs" on the left navigation bar. There you will find a link to an interactive map showing all of the ICC environmental projects.

The SHA hopes that you will be able to attend this meeting to learn more about the proposed stream restoration projects. If we may be of further assistance, please do not hesitate to contact Mr. John Sales, Environmental Projects Community Liaison, Office of the ICC, toll-free at 866-462-0020 or via email at [jsales@iccproject.com](mailto:jsales@iccproject.com).
