

# Your Road To OPPORTUNITY

At the State Highway Administration, your business is our business. We are committed to open and fair business practices that allow Disadvantaged Business Enterprises to participate, grow and sustain themselves in an ever changing and competitive environment. You are our partners and, together, we are Maryland - a model for the transportation industry.

## **Contract C US 29 (Colesville Road) to I-95**

### **Disadvantaged Business Enterprise (DBE) Participation Goal**

The approved overall DBE participation goal for Contract C is established at 20% of the total ICC Contract C price, with a subgoal of 20% for professional services, which includes: design; supplemental geotechnical investigations; surveying and other preliminary engineering; quality control as defined in the Contract; environmental compliance activities; utility coordination; permitting; and public information.
